

Summer has arrived at St Bernards

Welcome Summer!

Here at St Bernards, we welcome summer with a big bang! Celebrating the Queen's jubilee with a weeks worth of food, fun, family, and friends.

We couldn't have thought of a better way than to kick start summer here at St Bernards with the Queen's Jubilee.

Welcoming families and friends into the home for tea, cakes, and great conversation. All of which were made in-house by one of our lovely chef Cristina from the Wilson and Vale team.

Upcoming events

There are a lot of exciting up-and-coming events during the summer months here at St Bernard's.

We have a very busy weekend coming up with the Armed Forces Day on Saturday the 25th of June where residents will be able to take part in the big British quiz that will be hosted by our lovely staff.

To finish the weekend off we have the Open Gardens event on Sunday the 26th of June in support of the stroke association. With lots of tea, snacks, activities, and even live music.

Staff Announcements

- A big congratulations to Lorraine Burrows as the key worker of the month.

- We welcome more new staff members who have joined us recently!
